Management and the second and the se	PROGRAM CODE

- 5. Because of the vouluminous amount of tapes and the lack of any intelligence information relative to the nercotic traffic, these tapes are not being transcribed but will be maintained, as per the instructions of Mr. James Malts, NIB Supervisor, is a security safe in this unit.
- f. It is the opinion of the interviewing Agents that William SPECTOR is attempting to obtain the investigative services of this Derman in his fight to obtain custody of the children his wife has in her possession.
